

# Brush Pen Lettering with Cora Pearl

## Supply List

- Gilbert Bond paper (Can be purchased at the PCC Bookstore at Sylvania or Rock Creek campuses, or at Columbia Art and Drafting Supply)
- Regular pen or pencil for taking notes
- Pentel Colorbrush Brush Pen (Extra Fine) (see attached image)
  - Here is a link on Amazon for the correct pen: <https://www.amazon.com/Pentel-Fude-Brush-Extra-XFL2F/dp/B000UF5690>
  - Be sure to get the pen that has the blue cap, not the black one. The ink is very different and the black cap version does not work nearly as well as the blue cap.
  - Do not bring another type of brush pen or brush marker! The workshop is really geared toward using this particular tool.
